Our Clients.

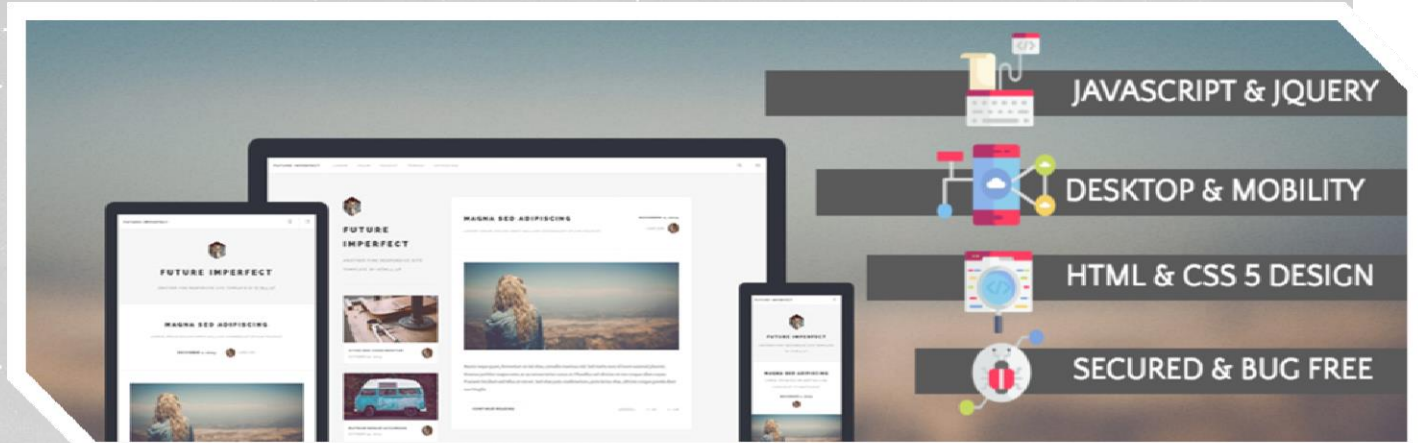

Art of independence is an IT & communication service founded on the belief that anyone should have the tools to take their business from idea to launch to growth.

Whether you're starting an online business or taking your in-person business online, with Art of independence, entrepreneurs we can build websites that customers love to visit and shop. Our powerful services make it easy to build a professional, mobile-optimized site and grow your business with integrated marketing and advanced analytics. We also help you tackle the manual hassles of running a successful online store by simplifying shipping, taxes, and inventory management. Since Art of independence is part of Square's commerce offering, customers/Clients can easily sell in-person. With Art of Independence, your business is always open.

AOI was started in 2016 and currently powers several of businesses on many sites around the world. Art of independence is based in South Africa with offices in Johannesburg. We were acquired by Square in May, 2018

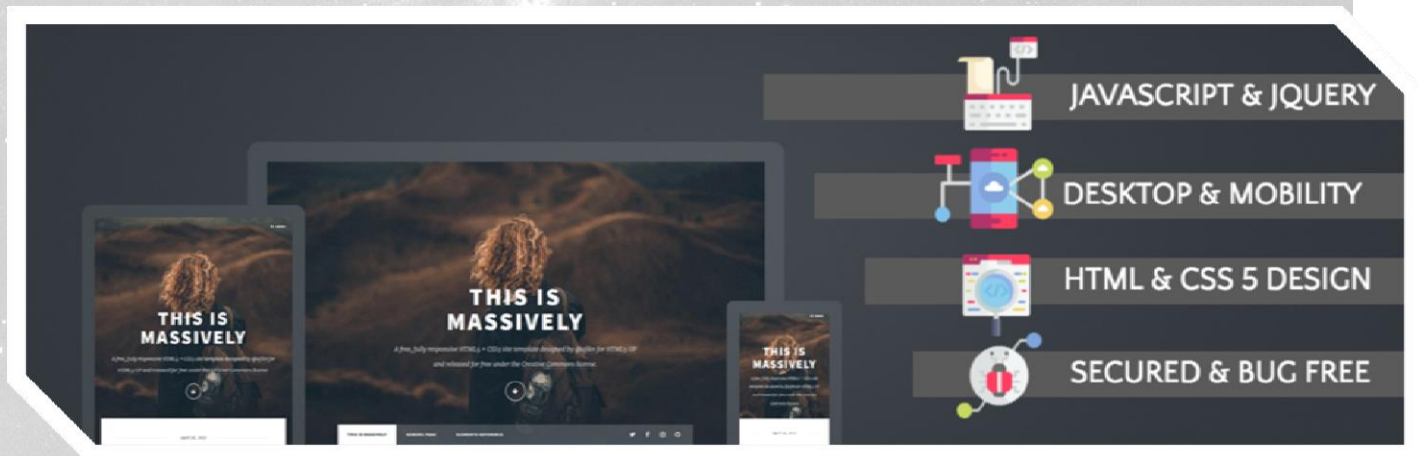

Our Products.

- Future Imperfect

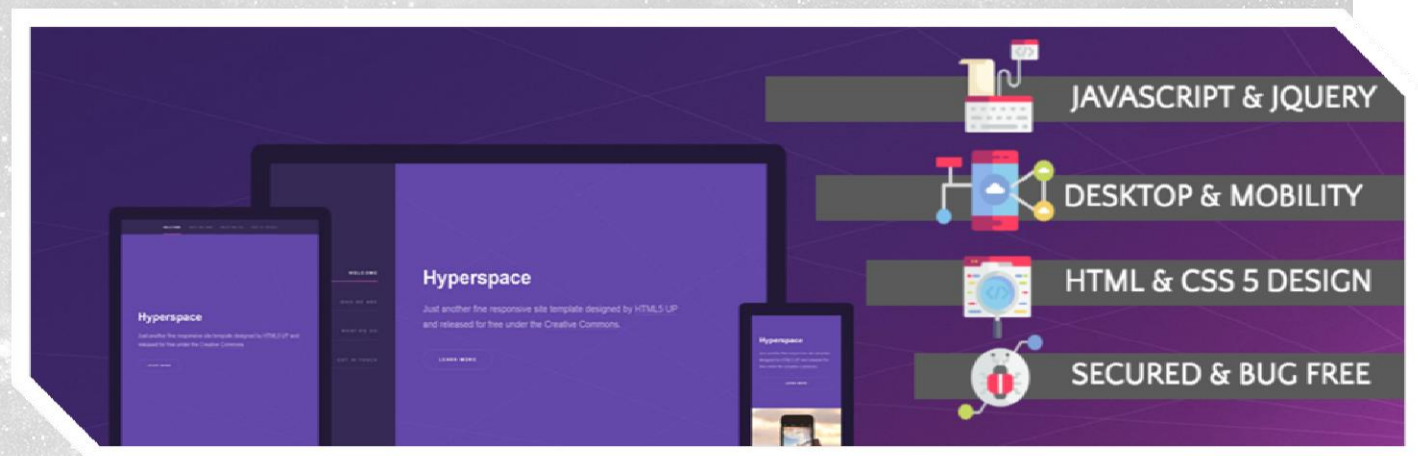

Future Imperfect is a responsive website template. The image shows three device screens (tablet, laptop, and smartphone) displaying the template's layout. The design features a clean, modern aesthetic with a white background and blue accents. The main content area includes a large image of a person's back, a title 'FUTURE IMPERFECT', and a sub-header 'MAGNA SED ADIPISCING'. To the right of the device screens, there are four horizontal bars with icons and text describing the template's features: 'JAVASCRIPT & JQUERY', 'DESKTOP & MOBILITY', 'HTML & CSS 5 DESIGN', and 'SECURED & BUG FREE'.

- Massively

Massively is a responsive website template. The image shows three device screens (tablet, laptop, and smartphone) displaying the template's layout. The design features a dark background with a large image of a person's back and the text 'THIS IS MASSIVELY'. To the right of the device screens, there are four horizontal bars with icons and text describing the template's features: 'JAVASCRIPT & JQUERY', 'DESKTOP & MOBILITY', 'HTML & CSS 5 DESIGN', and 'SECURED & BUG FREE'.

- Hyperspace

Hyperspace is a responsive website template. The image shows three device screens (tablet, laptop, and smartphone) displaying the template's layout. The design features a dark purple background with a large image of a person's back and the text 'Hyperspace'. To the right of the device screens, there are four horizontal bars with icons and text describing the template's features: 'JAVASCRIPT & JQUERY', 'DESKTOP & MOBILITY', 'HTML & CSS 5 DESIGN', and 'SECURED & BUG FREE'.
